GeeksForGeeks Leetcode

Education

IIITDM kurnool

Bachelor of Science in Computer Science and Engineering

Sep. 2021 – May 2025

kurnool, Andhra Pradesh

An College

Intermediate From Science

Sep. 2018 – May 2020

Patna

Modern Public School

Matriculation from CBSE

Sep. 2017 – May 2018

Patna

Relevant Coursework

- Data Structures and Algorithms
- Database Management System
- Object Oriented Programming
- Data Algorithms Analysis
- Data warehouse and mining
- Computer Architecture

Projects

Weather Application | *JAVA SCRIPT ,CSS,REACTJS*

February 2024

- Developed a dynamic weather application in ReactJS, enabling real-time retrieval and display of weather data for users.
- Utilized ReactJS to create interactive weather components, enhancing user engagement, and providing a visually appealing presentation of meteorological data.
- Project Link

SLIDING IMAGE PUZZLE | *HTML, CSS, JAVASCRIPT*

January 2023

- The sliding image puzzle, a classic and engaging brainteaser, challenges players to rearrange shuffled tiles to reconstruct a complete image.
- Immersed users in the puzzle-solving experience with fluid and captivating sliding animations, adding a touch of dynamism to the interface.
- Project Link

Food Recipe Application | *Reactjs,CSS, JAVASCRIPT*

December 2023

- Crafted a dynamic and user-friendly food recipe app utilizing React.js, offering seamless navigation and intuitive design for users to discover, save, and share delicious recipes effortlessly.
- Integrated APIs into the food recipe app, utilizing React.js to seamlessly fetch and display recipe data from external sources, enhancing the app's functionality and providing users with an extensive and diverse selection.
- Project Link

Responsive Website | *HTML,CSS, JAVASCRIPT*

November 2023

- Elevated the user experience with a seamlessly responsive design that effortlessly adapts to a myriad of devices, ensuring optimal functionality across desktops, tablets, and smartphones.
- Implemented sophisticated CSS transitions, the website exhibits a refined sense of motion and elegance, seamlessly guiding users through various sections with graceful and visually appealing animations.
- Project Link

Technical Skills

Languages: C++, C, HTML, SQL

Developer Tools: VS Code, MySQL, Github

Databases: SQL, SQLite

Achievements

- Certified in Responsive Website Development from freeCodeCamp.
- Successfully solved 600+ Data Structures and Algorithm questions on platforms like GFG and Leetcode.
- Organized and managed numerous events, serving as the Member Secretary of NSS during 2022-2023.
- Acted as the Coordinator of the College Art Club, overseeing decoration arrangements for college functions such as Fests, Freshers, and Festivals. Organized various arts and crafts competitions.
- Intern At - Samsung Innovation Campus.
